Tenant Service Package

With this service package we will find you a tenant. We will advertise your property to provide you with prospective tenants and gather information to help you determine the best applicant for your property. You may choose your tenant, or we can do the selection for you.

The cost for this package is half of one month's rent amount or a minimum of \$500.

Full Service Package

We will take care of everything! From the advertising and screening to performing periodic inspections on the property and repairs.

We inspect the property upon tenants vacating to ensure that the property is ready for showings.

The cost for this package is 10% of each month's rent and is a one year contract.
