

# Grass Cuts Grass Cuts

## Lawn Maintenance

We provide comprehensive lawn maintenance service for residential and commercial properties. Locally owned and managed we offer the best in personalized service and maintenance to fit our customers wants and needs.

## Our service principles are simple:

- Quality workmanship
- Dependability and consistency
- Communication with our crews at site
- High caliber customer service
- Create desirable curb appeal
- Make sure our client gets their money's worth

## Service Menu

- Year Round Landscape Management
- Mowing
- Hedge Trimming
- Edging
- Landscaping
- Tree and Shrub Maintenance
- Tree/branch trimming
- Mulching
- Sprinkler System Maintenance and Repair
- Weed Control and Fertilization

## Service Properties:

- Shopping Centers
- High Volume Residential Scattered Sites
- Multifamily Complexes
- Parking Lots

## Differentiating Attributes

Our exterior crews are trained to identify and report hazards such as lawn holes and exposed pipes, etc. Anything that could cause a trip hazard for pedestrians and/or residents. Our proactive approach in an effort lessen our client's liability helps make us an asset to the Asset Manager.
